Dino Land at the Annual Autry Block Party

September 26, 2026

(August 26, 2026— Los Angeles, CA) At this year's Annual Autry Block Party on Saturday, September 26, guests will experience the prehistoric world of Jurassic Park. After passing through the Ethnobotanical Garden, guests will arrive at the iconic Jurassic World Gates, where they will then begin their journey through an immersive environment filled with adventure around every corner.

Guests will explore a dinosaur-filled landscape featuring life-size dinosaurs, containment fencing, broken dinosaur eggs, weathered research crates, themed photo backdrops, and lush prehistoric foliage. The adventure continues into an interactive Dinosaur Land, where families can enjoy Jurassic-themed inflatables, interactive games and challenges, dinosaur crafts, prehistoric races, and a special PBS character meet-and-greet with Nature Cat. Designed for explorers of all ages, this immersive experience combines exciting attractions, hands-on activities, and unforgettable photo opportunities to create a truly prehistoric adventure.
